

**Figure 1.** Location of the TTTZ-South, CEL03, TTTZ, PANCAKE, RomUkrSeis, CELEBRATION 2000 (CEL01-CEL16) and other deep seismic sounding (DSS) profiles on a map of Central Europe (red box in the inset map, whereas blue box shows area for whole TTTZ transect). Stars and numbers refer to the locations of shot points along the transect TTTZ-CEL03-TTTZ-South. The beginning of the transect corresponds to the coast of the Baltic Sea (not seen on the map). TTTZ – Teisseyre-Tornquist zone.
